Dear Sir

We have received your publications: "Numismatic Notes and Monographs" and we thank you for them. But we have only received Number 2 and Nr 3, and we would like to have Nr 1, to complete the serie.

We have sent you the "Bollettino" as you are our fellow, and we have sent another copy to the Numismatic

Society, asking them to exchange it with their publications. We beg you to interest yourself about the thing.

We do not now if the "American Journal" is or not the organ of the "Numismatic Society"; if it is, we would like to exchange as we have sed.

In case it was an independent publication, be so kind to obtain the exchange also for that journal.

With kind regards,

your truly

At your request, we are sending you a copy of No.1"Coin Hoards" together with a copy of the Proceedings recently issued.

We desire to thank you for your publication "Bollettino" just received, and it will give us pleasure to send you all future issues of Numismatic Notes and Monographs in exchange for the "Bollettino" as you have kindly suggested.

Very truly yours,

We are in receipt today of your publication "Bollettino" for which we thank you.

I would appreciate it if you would kindly disregard my letter of September 8th in which I suggested exchanging our publication with the "Bollettino". I was in Europe at the time this arrangement was made and on my return was not notified of your willingness to make this exchange.

Apologizing for this error, I am
